Invitations of the 9th Chinese Conference on Biometric Recognition (CCBR2014)

Dear Mr./Ms. ______

The 9th Chinese Conference on Biometric Recognition will be held in Shenyang on November 8th and 9th, 2014. It is jointly organized by Shenyang University of Technology, Institute of Automation, Chinese Academy of Sciences and Chinese Association for Artificial Intelligence. It is undertaken by Shenyang University of Technology. Assembly accepted manuscripts will be published by Lecture Notes in Computer Sciences (LNCS) of Springer Group and indexed by EI and ISTP. The conference will invite seven renowned experts to give Plenary Lecture. A winter club will be held by the committee the day before the conference on November 7th, 2014, seven seminars would give specific lectures on biometric. Winter club does not charge any fees, and is freely participated.

CCBR2014 Organizing Committee warmly invites you to attend this conference to exchange the latest research and academics biometrics and related research. You can register as participant for academic exchanges without papers.

Each accepted paper requires a paid registration (2000CNY/person) and at least one author to present the paper in the conference.
Congratulations on the acceptance of your manuscript. We look forward to seeing you in Shenyang, China.

CCBR 2014 Committee
